### \*TETHERED RIDE SPECIFICATIONS:

Tethered balloon rides will take you up approximately 50 to 75 feet. The number of passengers per ride depends on total weight, but generally accommodates 2-3 adults or a family with children. We aim to group families and friends together for the best experience. Each ride lasts about 3-4 minutes, and we can typically serve 15-18 rides per hour, ensuring a memorable experience while accommodating as many guests as possible.

*\*Please note: Some activities require an additional fee. The Oscar Mayer Wienermobile and mechanical bull ride will only be available on Saturday, August 2nd.*
